

REQUEST FOR PROPOSALS - COLOR DIGITAL ORTHOPHOTOGRAPHY

NOTICE TO PROFESSIONAL CONSULTANTS

A group composed of 3 West Virginia Counties, is seeking professional services on the projects listed in this advertisement. Consideration will be given to only those firms that are qualified pursuant to law to perform the indicated type(s) of work. A request for a request for proposal (RFP) from qualified firms are to be emailed (faxed requests will not be accepted) to:

HampshireGIS@gmail.com

ATTN: WVPHAP Update Initiative 2015 in the subject line.

The RFP, in Adobe .pdf format, and all attachments and all accompanying information and files will be provided in downloadable electronic format via a link sent by email to the sender making the request for an RFP. No hard copies of the RFP will be provided. The County Governments participating within WV Potomac Highlands Aerial Photography Update Initiative 2015 reserve the right to reject any and all proposals and select the proposal that is in their best interest. It is the intent of WV Potomac Highlands Aerial Photography Update Initiative 2015 to select one proposer to complete all County coverages. It is critical that interested proposers register with the client agency as soon as possible in order to be fully informed for any addendums, updates, discussions, etc.

This will not change any proposals already submitted for the WV Potomac Highlands Aerial Photography Update Initiative 2014-2015 unless the vendor wishes to withdraw previous proposal and submit an amended proposal. This is being reposted for procurement discrepant reasons and downgrading to a 3 county project.
